

**LIVING IN MOROCCO****Barbara and Rene Stoeltie****Taschen \$65 rrp**

Though it lies just across the Mediterranean from Europe, barely a stone's throw from Spain's most tip, Morocco couldn't possibly be further away. With its mountainous and desert labyrinthine souks, delectable cuisine, exquisite rugs and textiles, vibrant mosaics, fragrant mesmerising music and welcoming people, Morocco is a most alluring and tantalisingly exotic destination. Digging a little deeper into the myth of Morocco, Barbara and Rene Stoeltie bring us this eclectic collection of homes that demonstrate all that is most wonderful about Moroccan style. Flipping through the pages of fairytale interiors (ideally whilst sipping a steaming cup of sweet, fragrant mint tea) you'll be transported.
