

Lucky we put two in, eh? It means there's still room to

**VOYEURISM IS** only fun until you get caught (we got eight months just for hiding in grandma's cupboard with a roll of masking tape). Avoid prison by developing an obsession with books full of beautiful ladies who look like they don't know you're watching – you know, always walking around penthouses, wearing lingerie, casually groping friends... how were they to know a photographer had broken in? Roy Stuart, we doff our cap to you for this gem of a book. However, breaking and entering is a criminal offence, and we have notified the police. [www.taschen.com](http://www.taschen.com)
