

# 2005: A FILM ODYSSEY

This huge book (it's 11.8" x 16" and 544 pages) charts Stanley Kubrick's progress from indie maverick to establishment hero. It

## features large-scale movie stills

as well as previously unpublished photographs, sketches, and notes from the director's archive. As a bonus, the first 2,500 copies of *The Stanley Kubrick Archive* include 12 frames of the epic *2001: A Space Odyssey* snipped from a print once owned by the man himself. \$200, [www.taschen.com](http://www.taschen.com).
