

HELMUT NEWTON: A GUN FOR HIRE >>

Famously quoted as saying: "Some people's photography is an art. Mine is not. If they happen to be exhibited in a gallery or a museum, that's fine. But that's not why I do them. I'm a gun for hire," Helmut Newton was nonetheless one of the 20th Century's most celebrated and influential fashion photographers. His mixture of controversial scenarios, bold lighting, and striking compositions came to form his signature look. This book brings together a selection of Newton's fashion catalogue work from as early as 1962 through 2003 and his last editorial photographs for US and Italian *Vogue* - all work he made as a "gun for hire." Edited by the photographer's wife, June Newton, the 216-page book costs £19.99.
