

**THE PERFECT GIFT No.04****JAZZLIFE** 324)

In 1960, photographer William Claxon set out across America to document the exciting jazz scene, photographing both the famous stars of the era as well as street musicians and fans. *Jazzlife*, Claxon's collection of photos and tales from that journey has become a highly sought-after collector's item. Taschen has now re-released the book, complete with a remastered CD of recordings made on Claxon's tour. This gigantic tome, probably the most complete and important document of the jazz scene from that era, is full of iconic images of Count Basie, Ella Fitzgerald and Miles Davis, and touchingly intimate portraits of lesser-known musicians. *Jazzlife* is a gift that any jazz fan will enjoy for years to come. **ΤΥΙ**
