

Aesthetic Surgery
edited by Angelika
Taschen

With MediSpas taking off around the globe, aesthetic surgery has entered the Spa arena.

Aesthetic Surgery is a stunningly presented book, ideal for a waiting room in the most luxurious of MediSpas. Covering everything from liposuction to lip implants, this book explores all the ins and outs of body sculpting via photos, illustrations, essays, and interviews. Topics include: Beauty and Beauty Surgery, Beauty in Art, The Astonishing History of Aesthetic Surgery, Ethnicity and Aesthetic Surgery, Plastic Surgery in the Movies, The Michelangelo of the Scalpel: Ivo Pitanguy, The World's most famous Aesthetic Surgeons, Methods and Techniques and Jokes and Caricatures. Published by Taschen, order from your favourite bookstore or call Tower Books on 02 9975 5566. ISBN: 3-8228-3003-8
