

BILL WARD

This isn't your average Two Fat Slags cartoon strip, Bill Ward's comic illustrations are erotic, beautiful and saucy with Jessica Rabbit style figure of eight women so splendidly curved you could rest a cup and saucer on them. Now available in his new book, *Bill Ward's Women*, Photographer Eric Kroll has trawled, archived and documented the best of Bill's bootilicious sketching career. Containing interviews with his friends, colleagues, family and over 1000 illustrations, all perfectly preserved. *Bill Ward, Eric Kroll, www.taschen.com*
