If the cover shot is anything to go by, *A Gun For Hire* is one classy text. Documenting the work of one of the world's most established, admired and renowned fashion photographers, German born, Australian Helmut Newton (1920-2004), *A Gun For Hire* houses some of the most stunning fashion shoots ever seen. Helmut Newton once said, "Some people's photography is an art. Mine is not. If they happen to be exhibited in a gallery or a museum, that's fine. But that's not why I do them. I'm a gun for hire." In this book a selection of his best fashion work from 1962 to 2003 takes centre stage sure to inspire, enthuse and impress anyone with an interest in photography and/or fashion. Working with the likes of Chanel, YSL, Thierry Mugler, US, German and Italian Vogue and Versace, just to name a few, Newton will take his place in history as one of the most iconic fashion photographers ever known.
