The World of Ornament (Taschen, August, \$200)

More than 5,000 decorative images and patterns from ancient Egypt through 19th-century Europe appear in this book's 528 oversize pages—as well as on the accompanying DVD. Use a color printer to create wrapping paper, stationery, place mats, drawer liners, table runners, backgrounds for frames, even wallpaper. (And don't worry—there's no danger of copyright infringement.)
