

BOOK OF THE MONTH

**THE WONDERFUL WORLD OF BILL WARD
KING OF THE GLAMOUR GIRLS**

**Edited by: Eric Kroll
Publisher: Taschen Cost: £29.99**

Not the kind of tome you can discretely hide on the bookshelf, Taschen's typically sumptuous celebration of the life of Bill Ward is bursting from the bindings with racy cartoons, cheek-reddening one-liners and a healthy dose of reverence for a man equally obsessed and delighted with the female form. His was a world inhabited by voluptuous Jessica Rabbit-esque ladies with few clothes and even fewer inhibitions – a hilarious delve into a treasure chest of chests, bottoms and everything in between. **DM ★★★★★**
