What you get: On its Phillippe Stark-designed display table, this monster, (27x27.5 inches) laid claim to being the biggest book, until the arrival of the Ali and Manchester United tomes, which are heavier but smaller in size. Newton, who died in 2004, specialised in erotic and nude portraits, although there also many pictures of the famous as well as his fashion work.

Who to buy it for:
Connoisseurs of high-class erotica.
