ADAM LINDEMANN (TASCHEN; R305)

Fast becoming a cult favourite, art critic Adam Lindeman looks at the controversies of who buys what contemporary art and from whom. Should you buy at auction or go to an art dealer? Learn to navigate the global art market and understand the big players: art consultants, dealers, curators and auctioneers. No-holds-barred interviews: find out who hates Charles Saatchi. Plus a listing of major annual auctions, exhibits and shows worldwide, the hottest art in top collections: Jeff Koons, Takashi Murakami, Cindy Sherman, Richard Serra and embalmed Damien Hirst.
