Ali Rap, Muhammad Ali, The First Heavy Weight Of Rap
By George Lois

This little book is an absolute pleasure and a must have for all Ali fans out there. It's basically a book of quotes, exactly what it says on the tin: "Over 300 rap rhythms, witticisms, insults, wisecracks, politically incorrect quips, courageous stands and words of inspiration from the mind, heart and soul of the brash young Cassius Clay, as he steadily grew into the magnificent man who is Muhammad Ali." I couldn't have put it better. So if you hang on every word the big man ever said, and can't help reciting phrases at inappropriate moments, then get out there and get yourself a copy. It will inspire you. ★★★★★
