Now we know what you're thinking, £300 for a book is one heck of a lot of money. But this is no ordinary book. With a strictly limited print run of just 1500 copies, each one individually signed by the photographer (Police guitarist Andy Summers), it's a real collector's item.

The 378-page hardback book is packed with over 600 pictures taken during The Police's worldwide tour in the early '80s. Summers proves that he's not just an able plank-spanker, but can also turn his hand to the fine art of photography. From behind-the-scenes shots of band rehearsals to candid images of multitudes of fans across the globe, this book is an eclectic mix of reportage, still-lives and even landscapes.
