

Andy Summers *I'll Be Watching You* (Taschen)

Fans, dudes, dudes in the pool, Mickey Mouse sweatshirts, Japan, nudity, state fairs, Sting in the desert. That's the gist of guitarist Andy Summers' book of photos from life on the road and in the studio with the Police in the early '80s. Yet Summers' stylized, almost over-composed shots don't document the mundane details of touring life so much as they create a kind of magical realism around it—which helps turn *I'll Be Watching You* into a note-perfect rock scrapbook. Fuck that existential Nick Zinner suitcase still life shit! When you're a star, even your intimate moments need to be larger than life. NB
