

*Leroy Grannis: Surf Photography
of the 1960s and 1970s*

BY STEVE BARILOTTI, JIM HEIMANN AND
LEROY GRANNIS; \$39.99

When you've just survived a four-hour session fighting off wave-hungry groms at comp-heavy 56th Street, this big book of photos from a simpler time is the perfect remedy. Grannis, a member of the Surfing Hall of Fame, took some of the most iconic pictures of the pivotal '60s to

'70s era. Concentrating on California and Hawaii, it's nostalgic, instructive and most of all, gorgeous.
