Taschen's recently released book "Berlin" presents a photographic look at the city, featuring almost 700 pages of images from 1860 to present-day. It includes works from Henri Cartier-Bresson, Helmut Newton, Christo and Jeanne-Claude, and Roger Schall. Shown is Schall's image "The Kaiser Wilhelm Memorial Church reflected in a shop window, 1936." [taschen.com](http://taschen.com)
