

'Eminem' caught cross- dressing!

**NEW BOOK REVEALS THE TRUTH
ABOUT CELEBS – OR DOES IT?**

Eminem's been off the radar for a while – but now you can see what he's secretly been getting up to in the privacy of his home. OK, so we fibbed – this *isn't* the real Eminem but, in fact, a lookalike posing in Alison Jackson's genius new book *Confidential*. Alison is famed for her faux pap shots of A-list stars – and we think she's really excelled herself with this racy shot of the rapper. *Confidential* is out now.

Come on now... Will the real Slim Shady please stand up
