

# HOUSE & HOME

FINANCIAL TIMES | Saturday December 8 / Sunday December 9 2007

**ON SHOW** WHO, WHAT, WHEN, WHERE AND WHY THIS WEEK

## Read all about it

It measures 36cm by 30cm by 10cm and weighs 9kg but that's not going to stop *The A-Z of Modern Architecture* from finding its way into a few design-oriented Christmas stockings. Just out, this two-volume book contains more than 600 entries, covering architects, groups, movements and styles from the 18th to the 21st centuries. The pages are handsomely laid out, the text is brief but authoritative and the photography and illustration eye-watering.  
"The A-Z of Modern Architecture"  
(Taschen, £160)
