PICTURE PERFECT

If a visit to the Sistine Chapel is not on the cards, this magnificent new book is the next best thing. *Michelangelo: Complete Works* by Thomas Popper, Christof Thoenes and Frank Zollner gives an awe-inspiring impression of the scale of the great Renaissance artist's work. As well as exploring Michelangelo's masterpieces in sculpture, drawing and painting in more detail than ever before, the book also offers a fascinating

insight into his life – including his skill as a property investor. Priced £120 (Taschen). To order, see Express Bookshop, page 92.
