GREAT ESCAPES AROUND THE WORLD

Taking in some of the world's most beautiful destinations – from sumptuously appointed manor houses in the heart of the English countryside (Charlton House Somerset) to unforgettable eco lodges hidden in the rainforests in Ecuador (Kapawi) – Taschen's new title *Great Escapes Around The World* (£29.99) will inspire stay-at-home types to pack their bags and get lost. And as you'd expect from Taschen, the photography is absolutely gorgeous – perfect for the coffee tables of chic travellers everywhere and for a Christmas present. www.taschen.com
