CODE 67684 | £190.00 (3 volumes)

Modernism Rediscovered (2000) brought to light for the first time forgotten architectural masterpieces, drawn from photographer Julius Shulman's personal archives. Paying tribute to residential and commercial buildings that had slipped from public view, Schulman's stunning photographs uncovered a rarely seen side of California Modernism. This extensive, three-volume follow-up to that remarkable volume brings over 400 more architectural gems into the spotlight.
