

**PHOTOGRAPHY BOOK:**  
*GLAMOUR FROM THE  
GROUND UP*

Naughty foot fanciers will relish this new book from Ed Fox, as he photographs stars of the Hollywood adult-film industry and their rather lovely feet. Five tootsies and the rest are shown in full-colour glory, including the feet of Dita Von Teese, Jill Kelly, Penny Flame and more. The editor and author is Dian Hanson, a 25-year veteran of men's magazines. This is too beautiful a book to be kept hidden under the bed.
