

Posh Penis

If there's ever going to be an acceptable way to display pictures of gigantic cocks in your home, it's going to be courtesy of the beautiful, stylish and clever Big Penis Book by Taschen. It's a huge coffee table book with over 400 historic photographs and essays and stories revealing why the massive member is so compelling (as if we boyz need telling).

As the publishers themselves put it, 'Big shoulders, big lapels, and big hair may come and go, but the big penis never goes out of fashion'. Feel your jaw drop and your trousers bulge as you flick through an impressive array of monstrous cock pics.
