THE BIG PENIS BOOK

Quite frankly, what more do you need from a book? Just pages and pages of handsome men displaying, well it's pretty self explanatory. Of course, coffee table maestro's Taschen add their own inimitable touch of style – loads of retro porno studs, a rather nifty cover conceit – which make this a book, you might not leave out for mum but wouldn't have to hide under your bed. And we've got 3 to give away
