When it comes to pleasure, size doesn't matter; as we all know it's quality, not quantity, that counts. But let's admit it: a big penis is undeniably compelling. Big shoulders, big lapels, and big hair may come and go, but the big penis never goes out of fashion. With those possessing more than 8 inches (20 cm) making up less than 2% of the world's population, this rare accessory will always fascinate. This hefty book is profusely illustrated with over 400 historic photos of spectacular male endowments, including rare photos of the legendary John Holmes.
