

**Richard Meier & Partners, Complete Works 1963-2008**

PHILIP JODIDIO (TASCHEN)

A chronicle of iconic American architect Richard Meier's career to date, this striking volume was created in close collaboration between the architect, author and illustrious graphic designer Massimo Vignelli. Meier's achievements, including The Getty Center in Los Angeles and the Jubilee Church in Rome, have made him an international force. This book is a stunning, visually indulgent tribute to his work, showcasing such creations as the Southern California Beach House (above) and Douglas House in Harbor Springs, Michigan (above right). \$150.
