

THE BIG PENIS BOOK

A must have for any gay man's coffee table, The Big Penis Book is packed with over 400 photos of outstanding appendages, the majority of which are from the 1970s. But as big shoulder pads and big hair

may come and go, a large penis never goes out of fashion. Photographers include Bob Mizer of Athletic Model Guild, David Hurles of Old Reliable, Colt and Falcon. With guys over 8 inches sadly making up less than 2% of the world's population, this rare accessory will always excite and fascinate us. The Big Penis Book is published by Taschen Books and retails at £29.99 (www.Taschen.com).
