**Seaside Style by Diane Domans
Saeks, £3.99, published by Taschen**

This pocket style guide is for daydreamers and style gurus alike. It is filled with inspirational images of escapism at stunning, sun-soaked beach locations. The guide is crammed with images of sea-swept boardwalks, charming beach houses and decks festooned with coloured flags and sleepy dogs. If you are after colour and style inspiration – or simply want to imagine you are relaxing at some far-off, idyllic hideaway, this is the book for you. It's also great for picking up tips on creating seaside-themed rooms – a great look for bathrooms or beach houses.
