New Seaside  
Interiors**

OK, so this isn't a hotel book but all design aficionados will love this new tome, inspiring awe and envy in equal measure, from hip publisher Taschen. Owning a house by the sea is a dream shared by many the world over. This book presents some of the most captivating dreams that have come true from log cabins with no electricity beside a Norwegian fjord to Pierre Cardin's futuristic capsule floating off the Cote d'Azur inspired by a James Bond Film. One day, maybe...
