

## SULTANS OF SWING

**Naomi Harris opens our eyes to the sexed-up secret activities of America's Bible Belt**

Discovered by Richard Prince when her work was published in *The New Erotic Photography*, Naomi Harris spent 48 months criss-crossing the USA, documenting hundreds of everyday citizens united by one particularly wayward practice – swinging. From bisexual OAPs to a group of African-American men who “service” white wives, *America Swings: The Secret Life of America's Bible Belt* is uninhibited, strangely joyful and only a little bit uncomfortable to look at. Preceding the book's release, Dazed looks back on her experiences with horny middle Americans.

“Americans tend to lack restraint. Be it eating, drinking, shopping or driving big gas-guzzlers, they live a life of excess. The swingers I documented one-upped them by additionally having this ferocious sexual appetite. I had
