

Steve McQueen

Author William Claxton

Publisher Taschen

Price £11.99 p/b

Steve McQueen was one of the cinema's most photogenic stars, and if proof were needed, this portfolio of stills by the noted photographer William Claxton will remove any doubt. Featuring stills of the actor at work, play and in private, and whether in black and white or colour, there is no denying McQueen's magnetism – nor Claxton's knack for capturing the perfect moment. This truly is high calibre browsing.
