

### History treatise

Until it ceased publication in 1967, John Entenza's *Arts & Architecture* magazine documented modern architecture of the mid-20th century. *Arts & Architecture 1945-1954*, a 10-box set of 118 complete magazines, is the first of two volumes to be reprinted by Taschen. The second installment will be released in the fall. At your bookseller or [www.taschen.com](http://www.taschen.com)
