

HEAVENLY FIRENZE

Fancy taking home a handsome Italian? Choose from the latest works by artist Peter Boggs, including nine oil paintings of the famous Boboli gardens in Florence, Italy. Showing at the Maunsell Wickes gallery in Paddington, Sydney, from June 9-28. Call (02) 9331 4676 or go to www.maunsellwickes.com.

VOLUME CONTROL In Italy in 1928, Gio Ponti launched the divine design and architecture magazine *Domus*. The publication is still going strong today, but if you've missed any issues from the past 80 years, you're in luck – Taschen has compiled them all into a slick series. Available in Italian or translated into English, they are priced at \$160/each. **H&G**
