Crónica "fashion" para todos los públicos

De damas perfectamente enguantadas a mujeres de armas tomar. Basta con hojear "20th Century Fashion" (Taschen) para ver cómo ha cambiado nuestro concepto de la moda y la estética a lo largo del siglo XX.

Spots are in, but not on your skin

New Fresh-Start[®] by Pond's cleans out oil-choked pore openings, the breeding ground for blemishes.

Who wants a sunny, pollution-free skin? If up to now you haven't been able to get rid of those spots, here's a cleanser that cuts the breeding ground right out from under them!

Fresh-Start is a new grainless gel that cleans out the dirt... clears away the oil that can cause blemishes... tingles, tones, and tones your skin till it sparkles! Wash with icy-fresh, tingling

Fresh-Start helps a day to help prevent blemishes. Wear between cleanings to protect and maintain healthy, it's the most antibiotic way to help you look sparkling... and spotless!
