**Dennis Hopper:  
Photographs  
1961-1967**

*Taschen,  
September, £450,  
9783836500579*

Ever since he received a 35mm camera as a birthday gift, actor Dennis Hopper has been hooked on the instantaneous image, shooting everything from parties to political demonstrations, or just cruising down the freeway. This limited boxed presentation of his work will please both film and photography fans alike.
