

HELMUT NEWTON AND BENEDIKT TASCHEN IN THE COURTYARD OF THE PUBLISHING HOUSE WITH ONE OF THE FIRST COPIES OF SUMO

PHOTOGRAPHY

BOOKS

HELMUT NEWTON

Ten years ago, Helmut Newton's *SUMO* was released — it was a phenomenal tour de force book from one of the 20th century's most influential photographers. Now, Taschen is rereleasing it in a more economical home edition, filled with the same provocatively erotic portraits and stunning fashion spreads as the original museum edition, along with a section devoted to the innovative process of compiling the original *SUMO*.
