Whether you're a visitor to New York or a bona fide native, there's a new must-have book about the city so great they named it twice. *Taschen's New York* gives us a look at the city through the style-savvy eyes of editor Angelika Taschen, who fills her 400-page homage with the best restaurants, hotels, and places to shop. With a fun yet sophisticated design and gorgeous images by photographer Paul Ober, Taschen tours us through some favorite haunts that will remind you why you heart NY. You'll check into hotspots like the Maritime, a former sailor's dorm transformed into Chelsea cool; SoHo's luxury boutique hotel 60 Thompson; and the Pod Hotel, which proves that chic and affordable are not mutually exclusive. You'll get a taste of foodie hangouts from Danny Meyer's casual burger outpost the Shake Shack to the Waverly Inn, Graydon Carter's see-and-be-scene in Greenwich Village. And when it comes to shopping, Taschen orchestrates a spree through the city's most beloved stores, from the Strand for bibliophiles to Ted Muehling's sparkling SoHo jewelry shop, with a stop at Greenwich Letterpress for hand-printed cards to, perhaps, jot down notes about how fabulous New York is...
