GOAT – A TRIBUTE TO MUHAMMAD ALI: CHAMP'S EDITION

The world's greatest ever boxer deserves one of the world's greatest ever boxed books, and Mr Ali has got it here alright. Priced a magnificent £9,000 and limited to just 1,000 copies, *GOAT* contains more than 3,000 superb images, many of which are published here for the first time. Each copy comes in a silk-covered box and is bound in pink leather, the colour of Ali's first Cadillac. Mo himself has signed each,

and the tome comes with a number of quirky extras that make £9,000 seem like a snip.

The best are the four gallery-quality 50cm x 50cm prints of Ali in his prime, signed by photographer Howard L Bingham and Ali himself. The most dubious is Jeff Koons' 'Radial Champs' sculpture – essentially two inflatables and a stool. Curious, but magnificent nonetheless. See www.taschen.com
