

Mario De Janeiro Testino

Mario Testino, Taschen, \$99.

Fashion photographer Mario Testino is renowned for his stylish and intimate portraits. Rio de Janeiro is a city synonymous with the word sexy. Put them together and you get a body of work that's hot, hot, hot. From its breathtaking sunset panoramas, to the throbbing chaos of its world-famous carnival, and featuring plenty of exquisite *cariocas* (locals), including supermodel Gisele Bündchen, this gorgeous book captures the essence of this incomparably seductive city and its sultry citizens perfectly. Don't you just wish you were sipping a caipirinha on that balcony watching the sunset over Ipanema beach?
