

# Stylish eroticism

**A woman behind the lens. The sex-appeal of top models in the spotlight. It's Ellen von Unwerth's collectible book, *Fräulein*. 500 euros of seductive charm.**

SUPPOSE YOU HAVE A WOMAN PHOTOGRAPHER. And all the supermodels and famous actresses you can imagine. That is the concept underlying *Fräulein*, a real gem by art publisher Taschen. 482 pages of über-refined eros, for "only" 500 euros. It's not all corsets and lace: seductive provocations and just a pinch of snobbishness. Von Unwerth's unconventional eye creates glossy portraits with a classic advertisement, hypnotic quality to them. From Claudia Schiffer to Milla Jovovic, from Kate Moss to Carla Bruni and Monica Bellucci: forbidden charm. Selective glamour, X-rated.
