

# TYPE VOL. 1 /

Explore the world of typeface with *Type. A Visual History of Typefaces and Graphic Styles, Vol. 1* (Taschen) by Cees W. de Jong/Jan Tholenaar/ Alston W. Purvis. From italics to semi-bolds, and an exhaustive selection of typographic fonts, this visual history of font catalogs and design works from 1628-1900, with a special emphasis on type from the mid-19th to 20th centuries. This book explores everything from the early work of Dutch designers to the complexities of Victorian era fonts. Featuring works by type designers William Caslon, Fritz Helmuth Ehmcke, Eric Gill, Aldo Novarese, and more, *Type* is the guide for fonts and graphic styles. All hail the printed letter.

\*Jan Tholenaar, collector of the printed letter, passed away last year in Amsterdam where he resided.
