

The Butt Stops Here!

This month we have a cheeky look at *Taschen's* latest addition to Dian Hanson's critically acclaimed **Big Book** series! **The Big Butt Book** features over 400 photos of butts from 1900 to the present day. Including peaches from such stars as Pam Anderson to Serena Williams, this new volume is also stacked with interviews from the likes of porn icon John (Buttman) Stagliano, filmmaker Tinto Brass, and underground comic artist Robert Crumb. This bootylicious tome really will be a great addition to anyone's rear (book) shelf!
Available now from *Taschen Books*.
