

Edited by Miranda Collinge

YOUR IPHONE CANNOT TAKE PICTURES LIKE THESE (NOPE, NOT EVEN WITH HIPSTAMATIC)

PREPARE TO BE HUMBLED BY THIS NEW BOOK OF
HELMUT NEWTON'S SNAPSHOTS

Seeing this selection of Helmut Newton's Polaroids gives us yet another reason to mourn the demise of film photography. Taken as test shots during fashion magazine shoots in the Seventies, Eighties and Nineties, the legendary German photographer's snaps have been collated by his widow June into a fine book for **Taschen**. Newton once complained that he'd "photographed too many naked women" — an enviable predicament if ever there was one.

Helmut Newton: Polaroids (Taschen)
is out now

HELMUT NEWTON (1920–2004)
HELMUT NEUSTÄDTER ESCAPED
NAZI GERMANY IN 1938
AND BECAME ONE OF THE
