1 Moonfire, the Epic Journey of Apollo 11

Norman Mailer

If ever there was a book that will go up in value with time, this is it. Written by the late Norman Mailer, and limited to 1,969 copies to coincide with the 40th anniversary of the first moon landing. Each book will feature a signed and framed photo of astronaut Buzz Aldrin. The final 12 copies of the print run (numbers 1958 to 1969) will include a fragment of moon meteorite.

Prices start at 1,500 USD
