

### 7. Stanley Kubrick's Napoleon: The Greatest Movie Never Made

Can someone explain to me how 'Battle Los Angeles' got made and yet Stanley Kubrick's 'Napoleon Bonaparte' didn't? If anyone or anything can explain it then perhaps it's this fine book. Containing trademark obsessive correspondence, costume studies, location scouting photographs, research material and script drafts, it's a bittersweet read for fans of Stan. It will have you pounding the walls and shouting 'pourquoi?!' for several hours.
