"Marilyn Beads," 1962

Norman Mailer and Bert Stern's *Marilyn Monroe* (Taschen) comes out December 14. Here's your sneak preview of the bombshell as you've never seen her before.

In addition, we've got photos from the Andrew Weiss Gallery in Beverly Hills, the world's largest dealer of Marilyn Monroe photography. The gallery launched "Happy Birthday, Marilyn," an exhibit of rare and never-before-seen original photographs of the legendary sex symbol, to honor what would have been her 85th birthday, on June 1, 2011.

The exhibition runs at the Andrew Weiss Gallery until August 13th. For more information, visit AndrewWeiss.com.
