

SCENE IN L.A. | Taschen Book Launch

Lawrence Zarian and Charlotte Taschen

### MY EVENING WITH MARILYN

**THE PARTY** Art book publisher Taschen launched its latest collector's edition, *Norman Mailer, Bert Stern: Marilyn Monroe*, at the Hotel Bel-Air, bringing Stern back to the location where his famous photo shoot with the actress took place.

**THE PLAYERS** Bert Stern, Quincy Jones, Chris Tucker, Josh Baker, Nina Wiener

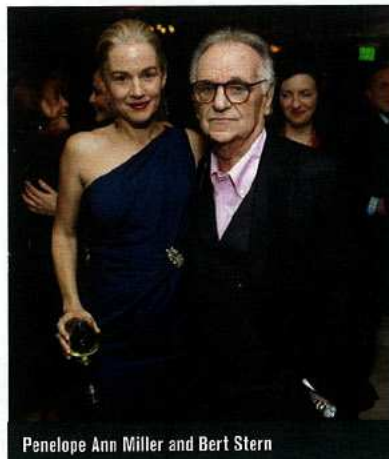

**THE HIGHLIGHTS** One almost expected women in the room to spontaneously disrobe when they spied the legendary photographer in their midst. Clothes stayed on, but some guests paid homage by wearing a color-blocked scarf similar to the one Monroe used for Stern's lenses. —Elizabeth Varnell
