

See a Hollywood legend in a whole new light: In the new tome *Norman Mailer, Bert Stern: Marilyn Monroe*, Mailer's 1973 biography of the troubled star is paired with Stern's iconic images of Monroe from a 1962 issue of *Vogue*—shot just six weeks before her death. Published by **Taschen**, the work is limited to 1,962 numbered copies, signed by Stern himself (\$1,000).
