

## Marc Newson

Taschen collects design icon Marc Newson's complete works to date in a massive 610-page design bible covering everything from his restaurants to his foray into watches:

"This comprehensive tome leaves no stone unturned in cataloguing all of Newson's works to date, from early pieces such as Lockheed Lounge (which holds the world record for the highest price paid for a piece of designer furniture, at over two million dollars) through designs of household objects and more recent, large scale projects such as the Ford 021C concept car, the Kelvin40 plane, the interior of Qantas's A380, and the Aquariva boat."
